R.L.H.

My dear Prof. Steindorff, -
permit me to thank you
for your kind letter and for the
sentiments which you expressed
therein. I am more than deligh-
ted at your appointment by
the Egyptian government and
by the opportunities afforded
you to resume your great-

activities there. I know of your
love for that field of endeavor
and of your great capacities
in it. It therefore gives me real
pleasure to grant your request
and I accordingly enclose my
check for the amount required.

We leave here for Berlin
on Sunday and embark from
Bremerhafen by the steamship
Bremen on July 25th. With

very kind regards in which
Mrs Goldman joins me I am

your devoted

Henry Goldman
