Dear Mr. Wieck:

re. Steindorff, Koptische Grammatik

I have just been informed by Glueckstadt that the new typefaces for the coptic will be ready on May 10, after some delay in checking a few symbols with the designer. The text has been set and awaits only the insertion of the coptic types. We should expect proofs before the end of May. I regret that this matter has been ~~down~~ out longer than anticipated, but you are probably aware of the problems involved in the new cuts.

Have you heard about the Americanists volumes recently?

Sincerely yours,

J.J. Augustin
