Dr. George Steindorff  
Walters Art Gallery  
Baltimore, Md.

My dear Dr. Steindorff:

I am sorry that it has taken me so long to make arrangements for the photostat for the page from the Tomb of Ramesses 9, which you so kindly said you would try to read for me.

I am now forwarding to you both a positive and negative. If you can make anything out of it without too much trouble, it will be a very great assistance to me indeed.

Very sincerely yours,
