Dear Dr. Bull:

Dr. George Steindorff has written to me with reference to his Coptic Grammar which is under consideration for re-issue by his Board of Trustees.

I should be glad to quote a price for the printing of this work through my Glueckstadt printing plant which has remained undamaged by the war and which has handled Dr. Steindorff's publications before. My plant has all necessary type faces at its disposal and prices are certainly more attractive in comparison with prices asked in this country for the same type of work.

If you want to give me an opportunity to check part of the manuscript for an estimate kindly contact me at your convenience.

Very sincerely yours,

J. J. Augustin
