Dear Uncle George

This is just a hasty line to say
that I duly received yr. letters of 24 Jan.,
2 March (2 letters) and 4 March and, ^{that} I
will write soon at greater length. My teaching
keeps me pretty busy. Now my secretary,
Mrs. Lee, is ill and I am going off ^{to-night!} to
Charleston, South Carolina, with Katherine
& our daughter Agnes, returning here
about April 8th. I am in touch with
the Bollingen Foundation & will write to
you from Charleston. My address there

will be Yeamans Hall, Charleston, S.C.

Several days ago Helen Winlock received a letter from Mrs. Crum saying that Gunn had died of a heart attack. I am sorry to be the bearer of sad news.

With all good wishes

Affectionately, tho'

Hastily,

Luce Lombard
