Dear Professor,

Thank you for your letter of March 17, and your kind acceptance. Please find enclosed a cheque of \$ 30.- I have two other reliefs with hyeroglyphic inscription of which I would like to have the translation if it is not asking too much. If you can find time for this work, please let me know how much I owe you. \*

I got your publication of the Freer head only a few days ago. It is a remarkable work, not only as a study in which the Freer head is situated in a most logical way, but also as an excellent summary of a long period of Egyptian art. It is indeed a most interesting and useful publication.

Thanking you again, I remain, dear Professor

Sincerely yours,

Paul Mallon

\* „regarding the difficult and time absorbing translation of the unusual phrases I can't help but charge \$ 40 00. The work took me nearly three days.
