Dear Professor Steindorff:

In accordance with your instructions, the manuscript of your
ELEMENTARY COPTIC GRAMMAR has been forwarded to you.

I regret that I see no possibility for us to proceed with
publication of this work without a subsidy.

The complete Coptic Grammar has been ordered from
J. J. Augustin in Germany. We have not yet been informed
of the likely delivery date, but shall pass any news that we
receive on to you promptly.

Sincerely yours,

Fred Wieck
