Dear Professor,

You were kind enough last year to decipher and translate for us some hieroglyphic inscriptions. We would appreciate it highly if you would do the same for the relief of which please find photograph enclosed. Is this relief of the VIth dynasty?

I am enclosing herewith a cheque for \$10.00 on account. Please let me know if there is any additional charges.

I take this opportunity of asking you in what publication you intend to publish the IVth dynasty relief of which I sent you photograph last Spring.

Thanking you, I am, Dear Professor,

Sincerely yours.

Marguerite Mallon
