Prof. Erwin R. Goodenough
Hall of Graduate Studies
Yale University
New Haven, Connecticut

My dear Prof. Goodenough:

I have looked over the two photostats you sent me so kindly to my home from the Walters Art Gallery. I regret to say that the questions you have asked me about them slipped my mind, and I am at a loss to make anything out of them. It is rather difficult to read the text but I shall try my best although I am not familiar with mythological texts of that kind.

Very sincerely yours,
