North Hollywood, California

Dear Dr. Steindorff:

Dr. Bull has injured his eye, and will be in the hospital for two weeks. He has asked me to acknowledge the letters from you of 23 and 26 January, and the enclosures. I am returning the letter of Mr. Augustin, of which I have made a copy for Dr. Bull's files. Dr. Bull has read these letters, and will be able to take care of any other matters which may come up. He hopes you will feel free to write him whenever you wish, since letters may be read to him at any time.

Sincerely yours,

*Anne Warren*

Secretary to Dr. Ludlow Bull
