Dear Professor Steindorf

When Dr. MacCallan

& I called on you at the  
end of last month, I believe  
that you mentioned that

Prof. Junker had handed

over his debenture to you -

I wonder whether you saw  
him before he went away  
to Cairo & whether he told  
you that he had visited

the battlefield of Toshka  
& found the English tablet  
on the monument there  
broken.

I went to the battlefield  
on Jan. 29 & found the  
tablet broken & am very  
anxious to find out the  
date & the authors of  
the outrage.

If you happen to  
have heard anything  
about it from any source,

I should be much  
obliged if you would  
be so kind as to  
send me a note  
about it.

I enclose an envelope  
stamped & addressed  
in the hope of  
hearing something from  
you.

Please forgive me for  
troubling you in this way  
& believe me

Yours sincerely  
A. C. Nation.

Prof. Steinberg.
