Dear Professor Steindorff,

Herewith I am sending you the print of Photograph 2906, showing the ink-inscription on the wine-jar E. 11324 from Anîbeh 35. This is the print which could not be included in the last consignment of photographs because it was mislaid.

I dare say you have noticed the box of a sandstone sarcophagus said to be from Anîbeh, and now at Stockholm, described and figured in Lugn, Ausgewählte Denkmäler aus aeg. Sammlungen in Schweden, p. 30 and Pl. XXI.

Yours always sincerely,

Battiscombe Gunn
