Dear Professor Steindorff,

I am not sure that I have yet thanked you for kindly sending me an offprint of your very interesting article, which I have read with much interest, on "Aniba: Vorläufiger Bericht....." which appeared in the last number of the Annales du Serv.

I am at present trying to get all the Aniba pottery photographed; but the photographers have so much to do for other sections of this Museum that I cannot say that it will be done very soon. The photographer also have the bronze objects.

With best greetings,

Yours very sincerely,

Bathiscombe Gunn
