UNIVERSITY of PENNSYLVANIA  
PHILADELPHIA

Dec. 13, 1932.

Dear Professor Steindorff,

I send you herewith material regarding the three Plaster  
Funerary Masks from Aniba.

I had hoped to send you a good deal more this week, but our  
Photographic Section has so much work on hand that the photographing  
of Aniba objects is delayed for the moment.

Yours very sincerely,

*Bathiscombe Gunn*
