Please send the amount to Assuan Mudirija with instructions to send the money immediately to Eneiba in special packets:

£ 150 notes
£ 49 silver

I beg to acknowledge that the money must arrive at Eneiba Thursday by the post-steamer of the 12th February as I have to dismiss on the 15th on February the greatest part of my workmen and must pay their wages. Otherwise I must pay them for nothing, as the excavations shall be finished at this date.
