"NO CREDIT" OR "PASS/FAIL" OPTION

Students may take some undergraduate courses for "No Credit" or "Pass/Fail." **"No Credit" Option** - Students should indicate in writing no later than the 12th class day that they wish to do so. Permission of the instructor or department is required. **"Pass/Fail" Option** - 12 hours of pass/fail hours are the maximum total credits that a student can use towards a degree assuming a passing grade in the class. Grades of C- or higher are considered passing. Deadline to complete the Pass/Fail Option Declaration form is the 12th class day. Forms are available in the Office of the Academic Dean. More information can be found in the online Undergraduate Catalog at smu.edu/catalogs.

PERSONAL INFORMATION VERIFICATION

Students are required to verify their personal information twice a year. Failure to do so will result in a HOLD being placed which prohibits future enrollment. Students should update their personal information as the need arises. Click on My Profile and then Contact Info on the left-hand side in my.SMU. Update address, phone, and/or emergency contacts whenever necessary.

EXCUSED ABSENCES

Students who participate in officially sanctioned scheduled extracurricular activities or observe a religious holiday should be given an opportunity to make up class examinations or other graded assignments missed as a result of this activity. Students should be informed by the instructor at the beginning of the term, preferably in writing, of the instructor's makeup policy. A list of religious holidays for use in requesting excused absences is available on the University Calendar. For the policy regarding religious holidays, click [here](#). For medical absence information, click [here](#).
