1915 to 1937: "Long Session" enrollment (Fall enrollment plus unduplicated Spring enrollment). Auditors may be included.

1938 to 1968: "Long Session" enrollment (Fall enrollment plus unduplicated Spring enrollment). Auditors are excluded.

1970 to present: Fall enrollment only. Auditors are excluded.

1918: No extension course enrollment due to army service of coordinating person.

1938: Enrollment contains an estimated correction for duplicate enrollments (students counted in more than one count).

1939 to 1944: Includes as undergraduate enrollment, students enrolled in the Engineering, Science, and Management War Training

1957: Dallas College enrollment was not itemized, therefore undergraduate enrollment may include graduate students or Program (ESMWT) of the Engineering School where students were not enrolled in others areas of the University.

1963 to 1964: Dallas College enrollment not available.
